Allowable Subject Matter

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: Prior art of record does not teach or suggest that a socket for holding integrated circuit comprising: a frame slidably mounted to a base; a cam actuator carried on the movable frame; and a cover pivotally mounted on the movable frame for movement from a position overlaying the contacts to a position permitting access to the contacts as further defined in the claims 1, 7 and 16.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
